### **Temporary position – Presentation Designer & Outreach Support for Composite Lab. (PSE)**

The Composite Laboratory is looking for a dynamic, self-motivated individual who is also an effective team player for the position of presentation designer and outreach support.

Applicant should have an understanding on development of graphical material, presentation slide, and will be in charge of creating media support, developing and updating internal and external presentation with our brand guidelines.

The candidate will work for the Composite Lab on various outreach activity including the Saudi Arabian Society for Composite Materials (SASCOM), as well as for our implication in ENERCOMP Technology Consortium and etc...

Successful candidate shall work 20 hours per week.

#### **Major responsibilities**

Successful candidate will be in charge of:

- Creating media support.
- Developing and updating internal and external presentation with our brand guidelines.
- Responsible for designing updating our websites and social network.
- Develop an outreach offering increasing visibility of our research across a variety of different network, platform, social media and other method of advertisement.
- Update on a regular basis all outreaching contents.
- Successful candidates shall ensure that all content produced for the Composite Laboratory follows fundamental design rules and help reshape the presentation for professionalism.

#### **Skills**

- The candidate should be fluent in design software and have a solid background in the fundamentals of graphic design.
- In-depth knowledge and understanding of social media platforms and their respective participants (Research gate, Facebook, YouTube, Twitter, Instagram, LinkedIn, Flickr, etc.) and how they can be deployed in different scenarios.
- Experience in sourcing and managing content development and publishing.
- Ability to effectively communicate information and ideas in written and verbal format to build and maintain relationships.

#### **Education**

B.S. or M.S. in Communication and Graphic Design or related field is preferred.

#### **Work Experience**

1 – 2 years preferred
